Education

King Fahd University of Petroleum and Minerals (KFUPM), B.Sc. Software Engineering **2024 – 2028**

- **GPA: 3.6+/4.0**.
- Skipped the Preparatory Year through placement tests, ranking in the top 3% of incoming students.
- Selected as a KFUPM Student Affairs 2025 mentor, supporting 200 incoming Skip-Prep and Orientation students.

KAUST, AI Summer Internship **Jun 2025 – Sep 2025**

- Selected as **1 of 100** participants from **15,000+** applicants after advancing through multiple competitive stages.
- Studied and applied computer vision, reinforcement learning, and natural language processing.

Experience

Quality Assurance Engineer Intern, Sawt **Jun 2026 – Present**

- QA from requirements analysis and prompt reviews to test scenario design, execution, and bug reporting on Arabic voice AI systems delivered to **major government and enterprise clients**.

AI Instructor, SDAIA Academy **Jul 2026 – Present**

- Instructed courses in Computer Vision, Prompt Engineering, and Applied Generative AI.

KFUPM KIKX Conference Manager **Sep 2024 – Present**

- Led conference-day operations for **10+** conferences of up to **2,500+ attendees**, coordinating **75+** volunteers per event.

Qimam Fellowship Program **June 2025**

- Selected as **1 of 50** students from **18,000+** applicants (top 0.3%) for **the Kingdom's most competitive leadership program**, completing executive training, one-on-one mentorship with senior leaders, company immersions, and networking with top-performing peers across Saudi Arabia.

Projects

Ice Course Offering (iceoffering.com)

- Built and deployed a course scheduling and real-time section tracking platform for KFUPM students, enabling schedule creation and fast response to section openings using Next.js, TypeScript, Firebase, Tailwind CSS and Vercel.
- Achieved **4,000+ accounts**, **21,000+ visitors**, and **100,000+ page views** within **15 days** of V2 launch.

EEG-to-Image Reconstruction Pipeline (KAUST)

- Developed with my team an EEG-to-image reconstruction approach using text-guided diffusion, shifting from direct decoding to semantic guidance and securing **1st Place** in the KAUST AI Summer Program.

Hackathon Prototypes (Streamathon, KSAU-HS, Sharqiyah)

Certifications & Awards

- **Ranked #1 out of 500,000+** graduates nationwide in the Saudi National High School Class of 2023 with **100%**.
- **HarvardX Professional Certificate in Computer Science for Game Development, completed at age 15.**
- 1st Place Nationally, KFUPM GameJam Hackathon, 2024.

Extracurricular Activities

KFUPM Computer Club, Vice President **Aug 2025 – Feb 2026**

- Led execution of **35+** events, including hackathons, seminars and bootcamps across AI, SWE, fintech, and cybersecurity.
- Managed cross-functional teams across PR, marketing, technology, logistics, and finance from planning to execution.
- Reached **2,500+ attendees**, generated **600,000+ impressions**, secured **10+** collaborations, and managed an **80,000 SAR** budget with 180,000 SAR planned expansion for the second term.

Academic Mentor & Educational Content Creator **2021 – Present**

- Reached **35,000+ students** across Saudi Arabia through educational content and mentorship on X and Telegram, providing guidance on Qudrat, Tahsili, KFUPM Freshman Courses, KAUST, Qimam, and Tech.

Skills & Languages

Programming: Python, Java, C#, C, Lua, TypeScript
AI: Machine Learning, Computer Vision, Prompt Engineering
Languages: Arabic (Native), English (Native)

Frameworks: PyTorch, Next.js, Firebase, Tailwind CSS
Tools: Git, GitHub, Vercel, Cursor, Google Colab
